

## Service Technician Apprentice/Assistant (FT)

### DESCRIPTION

**Self-motivated, safety-conscious, and dedicated to customer service? Ready to join and support an outstanding local team of professionals? Realize your potential at our positive, supportive workplace. Already have skills? Advance faster.** Jumpstart into a rewarding propane career at Star Gas, knowing you'll advance to a Propane Service Technician or Delivery (CDL) Driver position.

We are currently in search of a service technician apprentice to join our work family.

### PRIMARY RESPONSIBILITIES

Assistants are paired with an expert Service Technician during their apprenticeship. This position is designed to advance to either a driver or service technician position. You will work under the guidance of one of our lead Service Technicians to:

- Assist with the installation, maintenance, troubleshooting, removal, and repairing of propane systems and appliances
- Learn and perform duties in a safe and efficient manner conforming to federal, state, and local guidelines and codes.
- Load and unload company vehicles
- Operate a crane/dolly to move propane tanks, work trenching equipment to run in-ground gas service lines, restore propane tanks by sanding and painting
- Participate in in-person and online educational training
- Other responsibilities may include propane delivery, shop and plant maintenance as needed.

### REQUIREMENTS

- Age: 21 and above
- Have a focus on safety, have a desire to learn and grow
- Proficient verbal and written communication skills to complete paperwork
- Team player who displays a professional attitude to all customers, contractors, and teammates.
- Prompt, enthusiastic, committed, proactive, resourceful
- Clean, safe driving record with a valid driver's license
- Neat and clean appearance
- Mechanically-inclined skills are helpful: experience with hand tools, power tools, and test equipment
- Ability to lift and pull equipment that weighs 50 to 75 lbs.
- Willingness to work outdoors in all weather and driving conditions
- Knowledge of propane is a plus but no experience is necessary
- High School Diploma or GED helpful

*Please note that background checks and drug screens are performed as part of our pre-employment hiring process.*

### POSITION

- Union, full-time: 40 hours, Monday—Friday, some overtime may be required

### LOCATION

The job will originate out of our Poughkeepsie or Kingston, NY office.

**EOE STATEMENT**

We are an equal employment opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, veteran status, or any other characteristic protected by law. 5/12/21
